Dear WRES Parents,

We are anticipating a great year of learning and growing as a community. We cannot do it alone; we need your help and support. Attendance is a critical part of your child's school day. Please make sure your child gets to school on time and **completes a full day with no check out's, especially during the last thirty minutes of school.** We understand that there are days when this is not possible. However, for example when there is no pending appointments or a family emergency or illness, give your child the advantage of finishing their school day.
