YEARBOOKS GO ON SALE AGAIN AT THTMS

FOR THE FIRST TIME EVER,
THE MIDDLE SCHOOL YEARBOOK
WILL BE IN COLOR!!!!

The Tsehootsoi Middle School yearbook staff will be taking orders for the 2010 yearbook in room 303, during lunch, Monday, November 2 through Friday, November 6. Pre-payment of \$25 is required.

The first 25 people in each grade to order their book will receive a surprise.

Students may order their yearbooks during the lunch periods or during publications class. Parents may also order yearbooks during these times. Publications class meets from 10:25 to 11:23. **Orders will not be taken at any other time during the day.**

GOOD REASONS TO ORDER EARLY

There are many good reasons to order a yearbook now. One, there are over 500 students at THTMS, but we only order 250 books. We have sold out in the past, so students may be disappointed if they don't order early. We anticipate that more students may want one this year because it is the first time we've had color in our book.

Secondly, the yearbook will cost \$35 when they arrive in May. By ordering now, you save \$10!

Yearbooks hold many memories for years to come. They are a lasting way to remember all of your friends from middle school.

Scout Pride is one of few award-winning middle school yearbooks in the state of Arizona. Most middle schools don't even have yearbooks.

INFORMATION ABOUT MAY DISTRIBUTION

Yearbooks are distributed the 3rd week of May.
