Parent and Student Portal

Vision
We will be an exemplary student centered Organization, reflecting the Dine values of life-long learning.

Mission
We exist to ensure relevant learning for all students to successful in a multicultural society

2023-2024

FAQs

Can more than one parent/guardian have access to a child's account?

Yes, but please note:
• Parents must have legal rights to view their child's school records.
• It is the responsibility of all parents and legal guardians to coordinate the sharing/protection of the login credentials.

How do I use PowerSchool?

Once you've logged into the system, you will see a screen that has icons on the left hand side.
By clicking on each of the links on the left side of the screen, you will be able to view current grades and attendance, grade and attendance history, teacher comments and information posted on the PowerSchool bulletin. The Email Notification screen allows for automatic emailing of current grades and attendance to an email address or addresses that you specify.

Who do I contact if my child's information (grades, attendance, etc.) seems wrong?

Basic student information corrections: Front office of your child's school.
Attendance: Attendance office of your child's school.

Create a Parent Account

A parent account allows you to view the information for one or more students with a single sign in. You can also manage your personal account preferences.
To create a parent account, enter the following information:

· **Name -** Your first and last name
· **Email -** Student notifications and correspondence related to your parent account will be sent to this email
· **Desired Username -** Your username is your unique PowerSchool identity
· **Password -** Your password must be at least 6 characters long
