September 8, 2020

Dear Tséhootsooí Intermediate Learning Center Parents, Guardians, and Grandparents,

As per ARS § 15-756, your child has been identified to take the Arizona English Language Learner Assessment (AZELLA) based on the student's Home Language Survey (HLS) that was completed as part of the enrollment packet. The Window Rock Unified School District will begin AZELLA testing for presumptive EL students in September, 2020. Students must test in-person and will be tested at Tséhootsooí Intermediate Learning Center in the computer lab with Dr. Goldtooth, Counselor. Your child's test session will be arranged by Dr. Goldtooth. The AZELLA Testing will begin on September 8, 2020. While there is no time limit, the total time for AZELLA testing for Grades 4-6 may take two days to complete Stage III (3- 5) and IV (6-8) in domains Reading, Writing Part 1, Writing Part 2, Listening, and Speaking. Stage III and Stage IV are administered as online tests.

All students and parents who come onto the campus must complete the enclosed student or parent waiver. Waivers should be signed and returned to the school before the child enters the building.

CDC and Arizona State guidelines will be followed during testing. For more details about how testing will be conducted or other available EL services, please contact the TILC Counselor, Dr. Goldtooth at (928)729-1100 or Ms. Peshlakai at (928)729-6802.

Sincerely,

Geraldine K Peshlakai

TILC Interim Principal

CC: Dr. Dave Goldtooth, Counselor
