TMS
BASEBALL
2024

The TMS Baseball Junior Varsity has been undefeated this year with 6-1-0 record, tied with Chinle Jr. High and a tough comeback win against PINON in the last inning. They have played tough throughout the season and have given their all each game. Thank you to everyone who has supported the student athletes this season and thank you to the parents and teachers and Scouts community for your support.

TMS BASEBALL COACHES

TILC had six (6) of their 6th grade students on the TMS JV Baseball team this season.

Moving on from TILC

As we enter the month of May, we reflect on the growth of our students not just this year but during their time at TILC. To all those who have taught and provided support to our current 6th grade class to prepare them for middle school and beyond, Thank You!

My 6th grade experience was cool because I had an awesome teacher. I had a lot of friends and I got to do sports and I'm not failing. I'm excited for middle school. Stay cool and stay awesome. - Ryan

6th grade was fun and got to meet new people and teachers. - Brooklyn

My 6th grade experience was awesome because we did lots of new stuff and I had cool teachers. Even though I wasn't here for 5th grade, I still enjoyed 6th grade. I am excited and ready for middle school. -Hayden

6th grade year was hard and challenging. There's a lot of hard math work and ELA intervention. I enjoyed the food, it was delicious, but the pizza needs to be upgraded. The teacher was really fun. - Chasen

My year was okay. I liked my teacher, she was supportive and pushed me harder. I like sports because it makes you stay fit and keep focused on grades. I don't feel ready for middle school but I'm excited. - Asa

My 6th grade experience was really fun. I got to meet new people and enjoy more things. I got to join sports, meet middle schoolers, and go on trips. I don't feel ready for middle school but I'm excited. - Emma

6th grade was a really fun year. We got to go on a field trip and got to do sports including football, basketball, baseball, and softball. I feel ready for middle school and excited to try Robotics. - Darren

6th was nothing like I experienced before. Different math, reading and everything. Teachers and lunch were all different too. - Uriah

You can learn, it's really important to learn and at the end of the year they teach you what to do in 7th grade. I'm excited for middle school. - Xanthias

I think 6th grade was an awesome, sparklicious year that I've ever had. I think I'm ready for middle school and I'm excited. - Dilyla

The Future of Coding

On April 24th & 25th, TILC 5th and 6th grade students spent the day with Indigitize at Window Rock High School. Students learned about the importance of coding and the concepts of algorithms and programming to issue commands to machines. Students also got to hear from WRUSD Superintendent Dr. Shannon Goodsell, Navajo Nation President Buu Nygren and Vice President Richelle Montoya.

Earth Day

TILC students demonstrated their understanding of how important it is to make decision that positively and negatively impact the Earth. In celebration of Earth day on April 22nd, TILC Student Council hosted an Earth Day Poster contest. Congratulations to the contest winners: Aliza Christie from Mrs. Chee's 4th grade class, Peyton Jones from Mrs. Harper's 5th grade class, and Brooklyn Smiley from Mrs. Limbaga's 6th grade class.
