Window Rock Unified School District Free On-Site Support Services

Free On-Site Support Services beginning on August 17th, we will offer free, on-site support services for students who need a place to go during the school day.

- Please be advised that free on-site support services are not teacher-led classroom instruction. Support services will include student supervision and support for students in need during standard school hours. Students may work on distance learning activities using a district device that will be checked out to your child.
- Services will be provided at Fighting Scouts Events Center.
- If your child needs a place to go during the day, please call Dr. Shannon Goodsell at 928.729.6706 for On-Site Support Services. The Arizona Department of Education currently describes this service as a “safe learning space for students who are at-risk, in special education programs or who are the students of essential workers.”
- Please be advised that free on-site support services may be suspended or terminated if the District or the Arizona Department of Health Services advises closing the premises for public health reasons or in the best interests of the staff and students. The details of these services may be modified based on additional guidance from ADE. Updates will be posted on the District website.

Ahxéhee’

Dr. Shannon Goodsell, Superintendent of Schools
