Therefore, when a student is absent, it will be necessary for the parent to call the school on or before the day of the absences in order to advise the school as to the reason for the absence. When it is impossible to call on the day of the absence, the school should be notified on the morning the student returns, in time for the student to obtain an admission slip prior to the student's first class. All absences not certified by parental or administrative authorization will remain unexcused. Students will be withdrawn from school after missing 10 consecutive days.

If a parent does not have access to a phone, either at home or at work, a note will be accepted for verification purposes. For absences greater than on day in length, the school should be notified each day of the absence.

All personnel will solicit cooperation from parent in the matter of school attendance and punctuality, particularly in regard to the following:

- The scheduling of medical and dental appointment after school hours except in the case of emergency.
- The scheduling of family vacations during school vacation and recess periods.

The school may require an appointment card or a letter from a hospital or clinic when the parent has not notified the school of an appointment of medical or dental nature. School administrators are authorized to excuse students from school for necessary and justifiable reasons.

**WINDOW ROCK UNIFIED SCHOOL DISTRICT NO. 8**  
**STUDENT INTERNET USE FORM**  
**SY 2022-2023**

The Window Rock Unified School District (WRUSD) offers world-wide web Internet access to your child at his/her school. This access offers vast, diverse, and unique resources to students and district personnel to promote educational excellence in the Window Rock District School. The purpose of this document is to inform parents/guardians and students of the availability of the Internet resources as well as the rules governing its use and to obtain parental/guardian permission for an individual student to use the Internet while at school.

The educational value of appropriate information on the Internet is abundant. The Internet is composed of Information provided by institutions and people all over the world and includes material that is not of educational value in the context of the school setting. WRUSD does not condone or permit the use of this material. It is a joint responsibility when using the Internet. One of the district goals is to support students with responsible use of this technological information. Student educational Internet access is available to students only on computers that are in highly traveled areas of the school building such as classrooms, computer laboratories and the media center. Parents/Guardians must be aware that while at school, direct supervision by school personnel to each student using the computers is not always possible. Thus, students are expected to use the resources in a manner consistent with this contract and will be held responsible for their use. Additionally, parents should discuss with their children their own expectations for their child's Internet use.

**PROPER AND ACCEPTABLE USE:** The use of the Internet, including the world-wide web in any WRUSD School must be in support of education and academic research and consistent with the educational objectives of the WRUSD.

- Internet activities that are permitted and encouraged:
- Investigation of topics being studied in school.
- Investigation of opportunities outside of school-related to community service, employment, or further education.

**INTERNET ACTIVITIES ARE NOT PERMITTED:**

- Searching, viewing or retrieving materials that are not related to school work, community service, employment or further education (thus, searching or viewing sexually explicit, profane, violence promoting, or illegal materials is not permitted), copying, saving or redistributing copyrighted material (users should assume that all material(s) is copyrighted unless explicitly noted);
- Subscription to any services or ordering of any goods or services.
- Sharing of the student's home address, phone number or other information.
- Playing games or using other interactive sites such as chats, MUDs and MOOs unless specifically assigned by a teacher.
- Any activity that violates a school rule or a local, state, or federal law.

If a student has any questions about whether a specific activity is permitted, he or she should ask a teacher or administrator. If a student accidentally accesses inappropriate material she or he should back out of that information at once.

**RELIABILITY:** WRUSD makes no warranties of any kind, whether expressed or implied, for the service it is providing. WRUSD will not be responsible for any damages you suffer. This includes non-deliveries, mis-deliveries, or service interruptions caused by negligence or your errors or omissions. Use of any information obtained via the Internet is at the user's own risk. WRUSD specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

**EXCEPTION OF TERMS OF CONDITIONS:** All terms and conditions as stated in this document are applicable to the WRUSD. These terms and conditions reflect the entire agreement of the parties and supersede all prior oral or written agreements and understandings of the parties for in-school Internet access. These terms and conditions shall be governed and interpreted in accordance with the laws of the State of Arizona, United States of America

**MISUSE:** Violation of the terms of this agreement may result in suspension or revocation of a student's access to the Internet. Any action taken by a student which is in violation of a school guideline will be subject to the usual disciplinary actions. Your signature(s) below this agreement is (are) legally binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.
