**ATTENDANCE**

State Law mandates that the school record reasons for all student absences. Therefore, when a student is absent, it will be necessary for the parent to call the school on or before the day of the absences in order to advise the school as to the reason for the absence. When it is impossible to call on the day of the absence, the school should be notified on the morning the student returns, in time for the student to obtain an admission slip prior to the student's first class. All absences not certified by parental or administrative authorization will remain unexcused. Students will be withdrawn from school after missing 10 consecutive days.

If a parent does not have access to a phone, either at home or at work, a note will be accepted for verification purposes. For absences greater than on day in length, the school should be notified each day of the absence.

All personnel will solicit cooperation from parent in the matter of school attendance and punctuality, particularly in regard to the following:

- The scheduling of medical and dental appointment after school hours except in the case of emergency.
- The scheduling of family vacations during school vacation and recess periods.

The school may require an appointment card or a letter from a hospital or clinic when the parent has not notified the school of an appointment of medical or dental nature. School administrators are authorized to excuse students from school for necessary and justifiable reasons.
