# Title I

**Window Rock Unified School District #8**

**2023-2024**

## What is the Title I ?

Title I is the largest federal aid program for elementary, middle, and high schools.

Through Title I, money is given to school districts across the country based on the number of low-income families in each district.

Each district uses its Title I money for extra educational services for children most in need of educational help.

The focus of the Title I program is helping all students meet the same high standards expected of all children.

## How may Title I funds be used?

- Instruction
- Summer School
- After-School
- Instructional Materials and supplies
- Additional teachers and paraprofessionals
- Parent Resource Center

## Parent Involvement Shared Responsibilities

Parent Involvement is an important aspect of your child's success in school. We encourage you to be actively involved in your child's education. Each Title I school has a unique parental policy that is supplemental to the district policy.

Each Title I school will develop a School Parent Compact. You can help by making sure homework is complete and students are at school everyday all day.

## You can become more involved with your child's education by:

- Supporting your schools extra-curricular activities
- Volunteering at your child's school
- Keeping your child's teacher informed about events in your child's life that may affect his/her performance at school
- Attending parent teacher conferences
- Communicating with your child's teacher regularly by phone, email, or notes
- Ensure your child is at school everyday, all day
- Support your child with homework
