## FAQs Can more than one parent/guardian have access to a child's account?

**Yes, but please note:** Parents must have legal rights to view their child's school records. It is the responsibility of all parents and legal guardians to coordinate the sharing/protection of the login credentials.

## How do I use PowerSchool?

Once you've logged into the system, you will see a screen that has icons on the left hand side. By clicking on each of the links on the left side of the screen, you will be able to view current grades and attendance, grade and attendance history, teacher comments and information posted on the PowerSchool bulletin. The Email Notification screen allows for automatic emailing of current grades and attendance to an email address or addresses that you specify.

## Who do I contact if my child's information (grades, attendance, etc.) seems wrong?

Basic student information corrections: Front office of your child's school. Attendance: Attendance office of your child's school.

## Create a Parent Account

A parent account allows you to view the information for one or more students with a single sign in. You can also manage your personal account preferences. To create a parent account, enter the following information:

- **Name** - Your first and last name
- **Email** - Student notifications and correspondence related to your parent account will be sent to this email
- **Desired Username** - Your username is your unique PowerSchool identity
- **Password** - Your password must be at least 6 characters long

## LINK to Parent Portal

<https://powerschool.wrschool.net/public>

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" (highlighted) and "Create Account". Below these are input fields for "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is at the bottom right.

## Create Parent Account

### Parent Account Details

The screenshot shows the "Create Parent Account" form. It has a section titled "Parent Account Details". The form includes input fields for "First Name", "Last Name", "Email", "Desired Username", "Password", and "Re-enter Password". A note at the bottom right states "Password must: -Be at least 6 characters long".

## Student Access Information

Information for a minimum of one student, including the student name, Access ID, Access Password, and your relationship to the student.

The screenshot shows the "Link Students to Account" form. It has a heading "Link Students to Account" and a sub-heading "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account". The form is divided into two sections, labeled "1" and "2". Each section has input fields for "Student Name", "Access ID", "Access Password", and a "Relationship" dropdown menu.
