

STUDY HALL INFORMATION & PERMISSION

Beginning Monday, September 09, through December 18, 2024, the cafeteria will be open as a study hall for students in 7th and 8th grades. The study hall is held Mondays and Wednesdays from 4:00 to 6:00 p.m. There will be ***NO STUDY HALL ON TUESDAYS, THURSDAYS AND FRIDAYS.***

For those students attending study hall, it is to be with the understanding that they have homework to do. With that in mind, students who are not on-task and are distracting to other students will be taken out and not allowed to return to study hall for the remainder of the quarter.

For safety reasons, students must remain in the cafeteria until the study hall is over for the evening. A sign-in sheet will be posted so we know who is attending the Study Hall.

If you wish to pick up your child before 6:00 p.m., you must come to the cafeteria personally and sign them out. They will not be dismissed to meet you outside. The remaining students will be escorted to the bus loading area, and those who get picked up will be taken to the front parking lot.

Students wishing to participate in the after-school study hall program must have parental permission, and both student and parent must sign the agreement below.
