Parent Newsletter

April 2024 Edition

Principal's Message

Ya'ahteeh Parents, Guardians, Grandparents, and Community Members, We are nearing the last few weeks of Quarter 4 before we take summer vacation with our children and families. For now, we are focused on completing the school year with great deeds and accolades, which includes academic and extracurricular activities. In addition, we ask that you encourage your child/ren to attend school regularly and to exhibit acceptable behaviors towards student achievement. Furthermore, we ask that you take the time to commend your child/ren for being responsible for staying the course in their educational endeavors. Finally, we are thankful and grateful for your continued support for your child to be the best student she/he can be. Have a blessed Easter Holiday!

Sincerely,
Dr. Dave Goldtooth, Principal

Parents and Guardians:
Please make sure your student is present and on time on testing days.

Get enough Rest

Do your Best!

Eat a Healthy Breakfast

On March 20th, TMS Baseball and Softball had their first season game against Valley in Sanders, Arizona. Both Softball and Baseball Varsity and JV teams won their games.

On March 19th, TMS Girls Basketball celebrated the end of a successful season with a banquet in the TMS Cafeteria. Parents served a delicious potluck and athletes received certificates for their accomplishments.

Cooking up a Passion

Our TMS Culinary Arts Group had the opportunity to experience a culinary arts class at the Navajo Technical University. They participated and had fun with the Chefs they helped. It was an honor to have our TMS students show their cooking skills, knife usage skills and alertness in the kitchen by practicing kitchen safety skills. Thank you to the JOM program, Theresa Benally & Dr. Goldtooth.

Embracing Cultural Differences

TMS 8th grade Cultural Dancers enjoyed the festivities at the ALOHA Festival in Tempe, AZ during Spring Break weekend. Our students were amazed by the Hawaiian cultural presentations, they learned that they use their hands to tell a story about the songs they sing. Some songs were emotional and some were very uplifting for the girls. Thank you to the JOM program, Theresa Benally & Dr. Goldtooth.

Aloha
