TO: STUDENTS/PARENTS & GUARDIANS

I have been given a copy of the SY 2023-24 Students/Parents and Guardians Handbook. I understand the expectations and responsibilities of being a Student/Parent/Guardian of a student at Tsehootsooi Middle School. In particular, I am aware that the school policies and rules are contained in this handbook. I understand violation may result in severe consequences, including, out of school suspension, expulsion, notification of Parents/Guardian and even notification of the Police Department.

As a Student/Parent/Guardian I understand the proper use of the electronic information services that are available. The student will use the service to support personal educational objectives within the educational goals and objectives of the School District. Inappropriate use may result in cancellation of use of information service and/or appropriate disciplinary action. The student will not submit, publish, display, or retrieve materials forbidden by statutes, laws, or District Policies and Regulations.

As a Student/Parent/Guardian I understand that students are held responsible for damage, lost or stolen textbooks during the school year. If the student fails to return a textbook at the time of school exit or at the end of the School Year the student shall reimburse the school for the cost of the book.

As a Student/Parent/Guardian I understand the possession of electronic items at school is considered contraband and may be confiscated if the item is causing a disruption in class.

Student/Parent/Guardian need to date, sign, and return this sheet to acknowledge understanding and receipt of the student handbook.
